TREK VIENNA

Vienna was founded by pioneers who traveled west to settle the lands. They started farms and businesses, built homes and churches, and made plans to grow our city.

PETE
PIONEER

TREK VIENNA

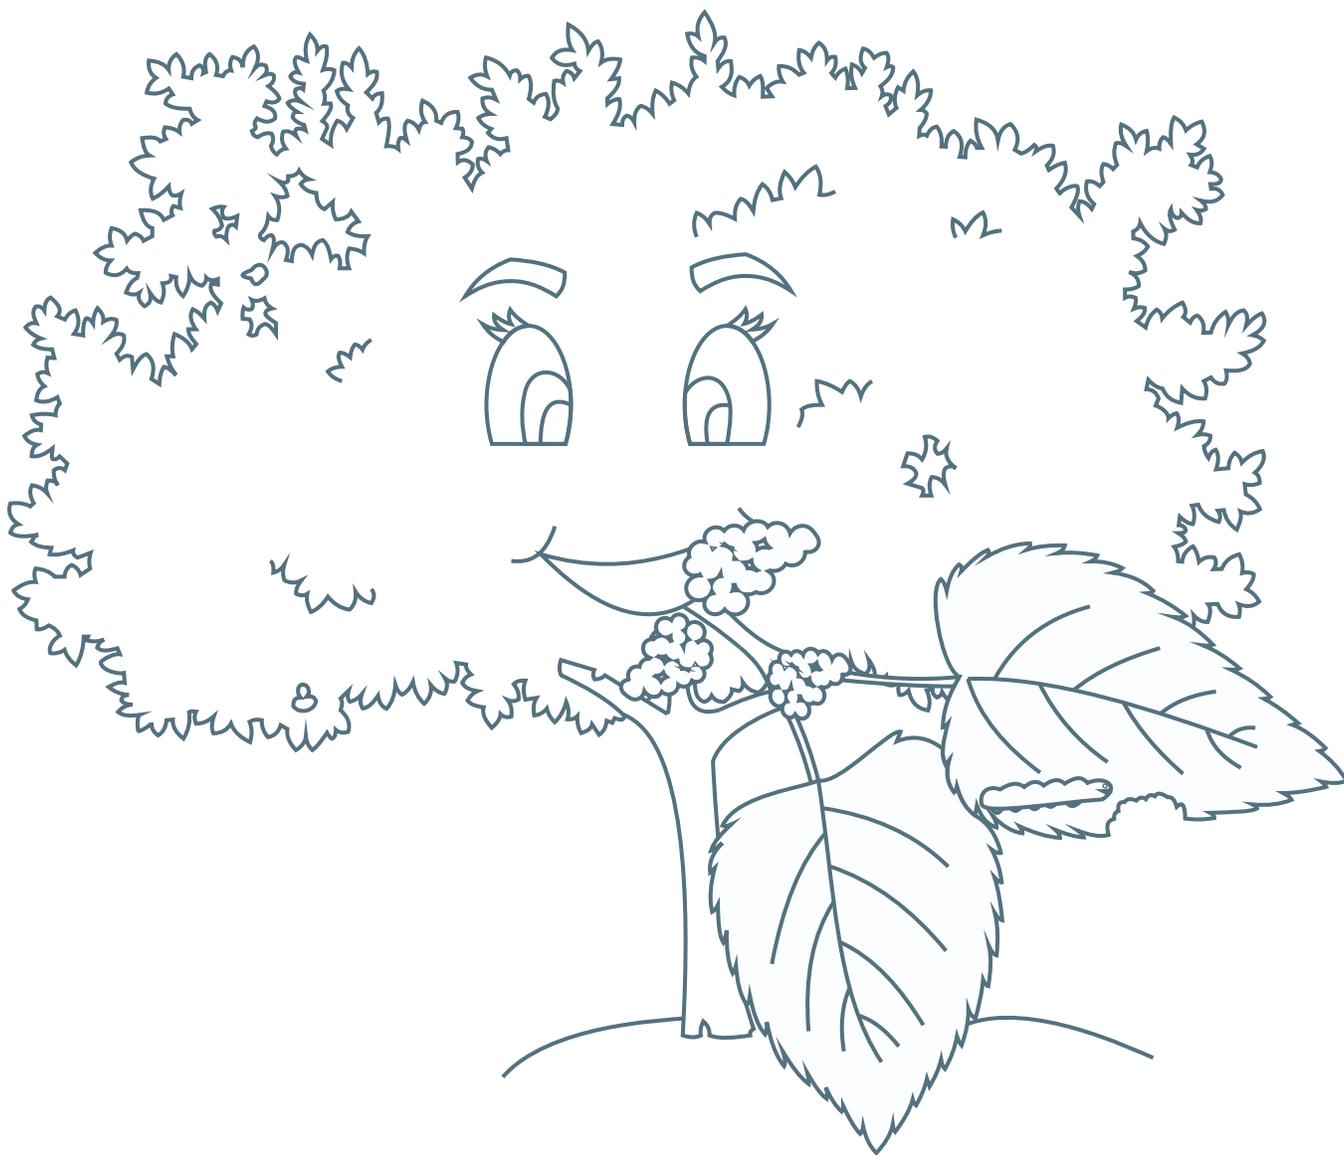

Vienna was home to a large silk mill.
Silk was made from the cocoons of
silkworms who eat mulberry tree leaves.

CINDY
SILKWORM

TREK VIENNA

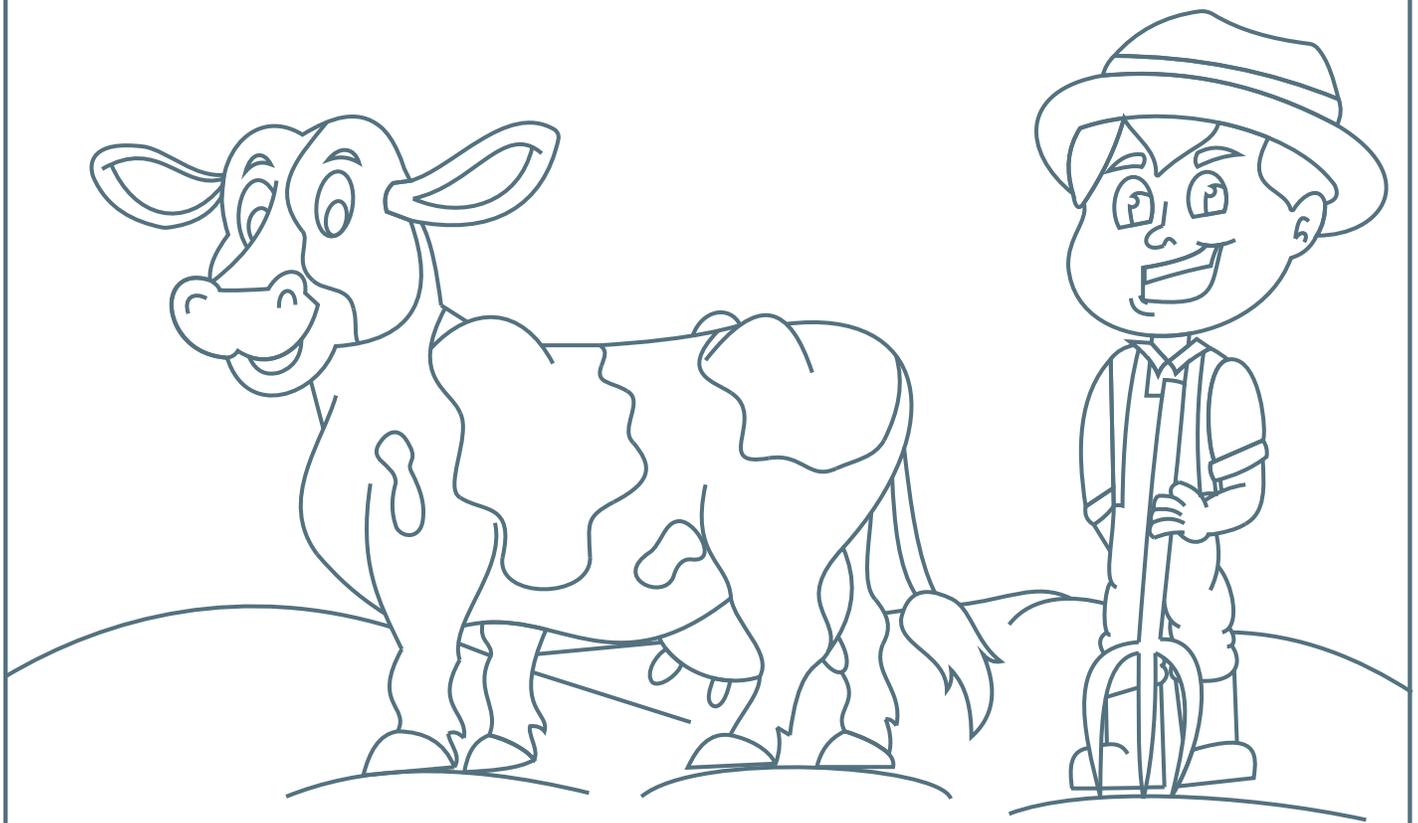

Pioneers found mulberry tree groves growing in the areas around Vienna. The white mulberry tree was imported during colonial times in hopes of starting a silk industry in the Americas.
